

Chapters of Tschitani Lodge #10 - Order of the Arrow

As Connecticut Rivers Council is divided into four districts, Tschitani Lodge is divided into four chapters. Each chapter has its own officers (Chiefs and Vice Chiefs) who plan and lead Chapter logistics, meetings, and events. A representative from each chapter also attends monthly Lodge Executive Council (LEC) meetings to plan Lodge events. To find your local Chapter, please reference the chart and graphic below. Don't forget to attend your local chapter's meetings and events!
